Property Rights and Natural Resource Curses: Evidence from a Tribal Fishery (with R. Rucker and P. Nickerson)

The Evolution and Organization of Environmental Agencies: From Game Laws to Hierarchical Bureaucracy (with D. Lueck)

What Makes Economic Growth Inclusive? Evidence on the Role of Ethnicity (with A. Mollica)

Department Seminars

University of Hawaii, Dept. of Economics, April 2017

University of Illinois, Dept. of Agricultural Economics. October 2016

Texas Tech University, Business School & Dept. of Agricultural Economics. September 2016

Stanford University, Hoover Institute Economic Policy Talk, May 2016

Simon Fraser University, Dept. of Economics. March 2015

Clemson University, Dept. of Economics. October 2014

Resources for the Future, Washington D.C. April 2014

Washington and Lee University, Dept. of Economics. March 2014

North Carolina State University, Dept. of Agricultural Economics. January 2012

University of Wisconsin, Dept. of Agricultural and Applied Economics. October 2011

University of North Carolina, Dept. of Economics. November 2010

North Carolina State University, Dept. of Economics. November 2010

University of California-Davis, Dept. of Ag. & Resource Economics. January 2009

Montana State University, Dept. of Ag. Econ. and Economics. January 2009

University of Maryland, Dept. of Ag. and Resource Economics. January 2009

Resources for the Futures, Washington D.C. January 2009

Invited Presentations at Workshops & Conferences

Harvard U, Weatherhead Center workshop on Economic Issues Facing Indigenous People, April 2017
Utah State U., Strata workshop on Energy & Environmental Policy, March 2017
Northwestern U, Searle Center workshop on Energy Regulation and Transaction Costs, November 2016
Indiana U., Ostrom symposium on Natural Resource Governance, October 2016
Simon Fraser U., workshop on Economic Issues facing Aboriginal People, September 2015
Ronald Coase Institute, Conference on Research Inspired by Ronald Coase, Washington DC, March 2015
UW Alumni/Science on Tap conference on Mining in the Penokee Hills, Minocqua, WI. June 2014
University of Tennessee, workshop on Casual Effects in Environment Economics, July 2013
Minneapolis Federal Reserve Bank, conference on Indian Country Development, August 2012
Lewis & Clark College, Workshop on Native American Economies, November 2011
PERC, workshop on Contracting for Ecosystem Services, Chapel Hill, NC. November 2010
PERC, workshop on Challenges for Market-Based Environmentalism, Bozeman, MT. July 2010
Chapman University, Searle-Kauffman workshop on Law, Innovation, and Growth. March 2010
Seminar Group, conference on Emerging Legal Issues in Agriculture, Billings, MT. March 2010
Northwestern Law School, symposium on Economics and Law of the Entrepreneur. June 2009
Forum of Federations, symposium on Land Titles for Indigenous People. Calgary, CA. February 2009
University of Chicago, Ronald Coase Institute workshop. December 2006
Stanford Law School, guest lecture on Private Conservation for environmental law course. April 2006
Stanford University, Hoover Institute lunch seminar workshop. March 2004

Presentations at Professional Conferences

Midwest International Development Conference, University of Wisconsin-Madison. April 2017
Association of Private Enterprise Education annual meetings, Maui Hawaii. April 2017
Conference on Local Development in Eastern DRC, Catholic University, Bukavu DRC, December 2016
Society for Institutional and Organizational Economics annual meetings, Harvard University. June 2015
International Society for New Institutional Economics annual meetings, Duke University. June 2014
Midwest Economics Association annual meetings, Chicago, IL. April 2014
Conference on Environmental Economics, UC-Santa Barbara, September 2013
International Society for New Institutional Economics annual meetings, Florence, Italy. June 2013
Midwest International Development Conference, University of Wisconsin-Madison. April 2013
American Economic Association annual meetings, San Diego, CA. January 2013
Society for Government Economists annual meetings, Washington D.C., November 2012
International Society for New Institutional Economics annual meetings, USC. June 2012
Conference on Environmental Economics, UC-Santa Barbara. February 2012
Conference of the National Congress of American Indians, Reno, NV. June 2008
Conference on Environmental Economics, UC-Santa Barbara, March 2008
Conference on Environmental Economics, UC-Santa Barbara, November 2006

Workshop Participation & Organization

Northland College, Workshop on Iron Mining near Bad River Watershed, Ashland, WI. March 2014.
Clinton Global Initiative, Congo Action Network at Annual Meetings, New York, NY. September 2011.
Searle-Kauffman Workshop on Law, Innovation, and Growth, Northwestern University, October 2010.
PERC, workshop on Self-interest, Incentives, and the Environment, Big Sky, MT. June 2008
Lincoln Institute of Land Policy, workshop on Conservation Easements, Cambridge, MA. March 2007.
NCEAS, workshop on Property Rights in Fisheries, Santa Barbara, CA. January 2007
Ronald Coase Institute, workshop on Institutional Analysis, Tucson, AZ. September 2004.

Fellowships and Academic Awards

Excellence in Teaching Award, AAE Graduate Program, AY 2016-2017
Editorial Council, *Journal of the Association of Environmental and Resource Economists*, 2014 - present
Lone Mountain Fellow, Property and Environment Research Center, 2012, 2014 and 2016.
Addington Prize for Measurement. Fraser Institute. 2011
Earhart Foundation Research Grant. 2011
Senior Research Fellow, Property and Environment Research Center. 2009 to present
Searle-Kauffman Fellow on Law, Innovation, and Growth. 2009 – 2010
National Science Foundation Fellow in Environmental Economics and Science. 2005 – 2008
Best M.S. Thesis award from the American Agricultural Economics Association. 2002
Best M.S. Thesis award from the Western Agricultural Economics Association. 2002

Research Grants

UW-Madison USDA Hatch Grant, “Quantifying the Value of Wind Leasing Options”, \$96,671 for 2017-2019

UW-Madison USDA Hatch Grant, “Tracking Conservation Easement Outcomes” (with A. Rissman and M. Ozdogan), Parker portion ~ \$65,000 for 2017-2019.

UW-Madison Graduate School Competition, “Do Organizational Differences in Public Bureaucracy Matter? Lessons from a Century of Environmental Administration” \$25,233 for 2015-2016

UW-Madison USDA Hatch Grant, “The Bioeconomics of a Predator-Prey System: Wolf Management”, \$57,660 for 2015-2017

USDA National Needs Fellowship, “A Graduate Program in Resource Economics at the University of Wisconsin: Adaptation to Climate Change and Policy.” \$238,500 for 2014-2017 (with Daniel Phaneuf and Corbett Grainger)

USDA Agriculture and Food Research Initiative, “Understanding Environmental Tradeoffs in an Amenity Based Rural Economy.” \$495,859 for 2014-2017 (with Daniel Phaneuf and Corbett Grainger)

UW-Madison USDA Hatch Grant, “Estimating Landowner Responses to Conservation Tax Law.” \$128,847 for 2012-2015.

UW-Madison Graduate School Competition, “Unintended Consequences of Conflict Mineral Policies” \$52,981 for 2013-2014

Teaching

University of Wisconsin-Madison

Natural Resource Economics (undergraduate). Spring 2013, 2014, 2016, 2017

Natural Resource Economics (PhD level). Spring 2014, 2015, 2017

The Environment and the Global Economy (undergraduate). Spring 2015, 2016

Montana State University

Microeconomics Problem Solving Seminar (undergraduate). Spring 2010, 2011

Principles of Microeconomics (undergraduate). Fall 2009, 2010, 2011

Intermediate Macroeconomics with Calculus (undergraduate). Fall 2009, Winter 2010, 2011

Development Economics (undergraduate). Spring 2011

Environmental Economics (undergraduate). Spring 2012

Honors Economics (undergraduate). Spring 2012

Bren School of Environmental Science and Management, University of California-Santa Barbara

Statistics Preparation Course (graduate). Fall 2008

Teaching Assistant, Statistics for Environmental Sciences (graduate). Winter 2009

Teaching Assistant, Statistics for Environmental Sciences (graduate). Spring 2009

Graduate Student Mentoring

University of Wisconsin thesis or dissertation committees (expected defense year) and topic:

Andrew Mollica (Chair, 2014)	Income inequality on American Indian reservations (winner of “Best Thesis” award from the 2015 Agricultural and Applied Economics Association).
Austin Williams (2017)	Effects of air quality on health and avoidance behavior
Alexey Kalinin (Chair, 2018)	Resource extraction and environmental federalism
Jennifer Raynor (co-Chair, 2018)	Empirical analysis of predator-prey relationships and their economic costs
David Elsea (Chair, 2018)	Topics in health and environmental economics
Thanicha Ruangmas (2018)	Topics in environmental and resource economics
Justin Winikoff (Chair, 2019)	To be determined
Allison Derrick (2019)	To be determined

Montana State University thesis committees (defense year) and thesis topic:

Shawn Regan (2012):	Effects of wilderness designation on local communities
Adam Bacon (Chair, 2012):	Socio-economic effects of oil and gas booms in the U.S.
Bryan Leonard (Chair, 2012):	Effects of environmental legislation on interest group formation
Vanessa Elizondo (2011):	Political economy of wild horse programs
Jackie Haines (2011):	Impact of property rights on tribal salmon fisheries
Katie Burns (2011):	Effects of bankruptcy laws on divorce rates
