

Discussion Sheet #3: Nitrogen and Agriculture

UW-Madison AAE 320

Due Sep 28 before class

NAME _____

After reading/watching each of the media items, please give a short answer to the following 2 questions and submit the sheet on Canvas.

- 1) What grabbed your attention when reading the article/watching the video?
- 2) What does the article/video want farmers to do?

I. Ecosystems: Down on the Farm

1)

2)

II. A Brief History of Our Deadly Addiction to Nitrogen Fertilizer

1)

2)

III. Nutrient Pollution: The Sources and Solutions: Agriculture

1)

2)

III. Taking a Stand Against Those Who Pollute Drinking Water (and Update on Lawsuit)

1)

2)

In addition to the above questions, come to class with questions and ready to discuss:

- **What kind of regulations should we have for agricultural nitrogen use?**
