After a long delay, enrollment is now open the 2026 crop. **Enroll in USDA commodity support programs ARC and PLC now. If markets change, you can change your elections before the Dec 11th deadline.** I will monitor market conditions during the sign-up period and update my recommendations if warranted, but I do not anticipate having to do so.

Summary of recommendations for Wisconsin farmers for the 2026 crop year:

1. **Corn, Soybeans, Oats:** [Signup for County ARC](#) (ARC-CO)
2. **Wheat:** [Signup for PLC](#)
3. **Barley, Sunflower Seeds, Sorghum:** [Signup for County ARC](#) (ARC-CO)
